 UK

Echo Worldwide takes donor privacy very seriously and treats all financial information about any transaction you have with ECHO as highly confidential. In addition, ECHO Worldwide does not share e-mail addresses or phone numbers of any of our donors. Occasionally, we are asked by other organizations to share names and addresses for a one-time use. You can opt out of sharing any of your personal information by completing the form below:

I wish to opt out of sharing any of my personal information, including my name and address, to any third party.
